CIVILIAN BOARD OF CONTRACT APPEALS

September 6, 2017

CBCA 5703-RELO

In the Matter of DAVID G. KULINSKI

David G. Kulinski, Fayetteville, AR, Claimant.

Gary J. McWilson, Chief, PCS Travel Section, Department of Veterans Affairs, Austin, TX, appearing for Department of Veterans Affairs.

**VERGILIO**, Board Judge.

The claimant seeks reconsideration of a decision finding claimant obligated to reimburse the agency for its costs incurred when claimant did not move. *David G. Kulinski*, CBCA 5703-RELO (Aug. 7, 2017). The claimant asserts various factors not previously raised as he contends that he could not complete the transfer to and report for duty at the new duty station because he lacked a signed travel authority. Aside from the inconsistencies in this version of events proposed by the claimant, the lack of a signed travel authority is not new and was considered. The claimant failed to transfer because of his decision not to complete the transfer, not because of the lack of a signed travel authority. The claimant has failed to establish a basis for the Board to reconsider the decision in this case.
